

Consider Submitting a Proposed Resolution

Deadline: August 31, 2019

What Are Resolutions?

Resolutions provide a formal and institutionalized channel for USP Convention Member Organizations and other interested stakeholders to inform and guide USP's strategic direction at the beginning of each five-year cycle. Resolutions must align with USP's 2025 Strategy.

How can I learn more about USP's 2025 Strategy?

Visit our resolutions portal to see how our impact ambitions for 2025 will advance USP's mission. The portal includes case examples, highlights of our success, and more: <http://www.usp.org/resolutions>

How Does the Call for Resolutions Work?

The official call for resolutions opened on March 1, 2019 and will close on August 31, 2019. The Council of the Convention (CoC), with assistance from USP staff, will review each proposal for alignment with USP's mission, vision, and 2025 Strategy, and will develop proposed Resolutions for the 2020-2025 cycle. Convention Members vote to adopt proposed resolutions during the 200th Convention on May 3 – 6, 2020. The proposed Resolutions that are formally adopted at the 2020 Convention Meeting will be instrumental in guiding USP's work during the next cycle.
